Subject: Walling In Your Only Out Is Talking --

You won't talk to me -- because you are afraid of the reality of the truth.

Mark Twain once said:

"The Truth Hurts but Silence Kills" --- and that you are killing by remaining silent -- and I can prove that.

So, if I have to appear before the SB County Supervisors, mine personally Josie Gonzalez, which I will have the STACK of EMAILS and communications that I have sent her from the first moment I made it aware there was hate in our communities that was not being addressed.

That is EXACTLY your JOB -- EXACTLY ON TARGET -- you have no CHOICE but to DEAL with this ISSUE -- as time passes on -- your admiration in this county will weaken -- and that is not my goal for you.

Ms. Holmquist entry into my life as case manager is so severely off -- so bad it became off the wall apparent.
